

ICI meeting 2018

December 2-4, 2018 | Jerusalem, Israel

Remove Watermark Now

The Premier International Meeting for Innovations in Cardiovascular Systems
(Heart Brain and peripheral Vessels) and High-Tech Life Science Industry

ICI INVITES YOU TO JOIN US

We are delighted to invite you to join us at the premier international scientific meeting devoted to Innovation in the cardiovascular arena - The **ICI Meeting**, which will be held this year on **2-4 December in Jerusalem, Israel**.

ICI has been hailed by many of the world leaders in the cardiovascular field as probably the leading event in this field, bringing together over than **2000** physicians, scientists, entrepreneurs, technology experts, academics, venture capitalists and medical industry representatives for important dialogues to build bridges for the better future of cardiovascular medicine.

This year, as part of Israel's exciting 70 celebration, ICI is proud to host all our participants in the International Convention Center, in the amazing, inspiring and multicultural city of Jerusalem.

As we expect this years' ICI Meeting to continue to lead innovations, grow and reach new heights of discussions and communications among all stakeholder, we are looking forward to welcoming you to join us! Do not miss this meeting.

Plan to join us at the ICI Meeting 2018

Remove Watermark Now

ICI Meeting 2018 – the premier International Conference for Innovations in Cardiovascular Systems (Heart, Brain and Peripheral Vessels) and High-Tech Life Science Industry, will be held in Israel, December 2-4, 2018.

The ICI Meeting is an acclaimed forum which aims to explore, fuel, spark and be involved in the innovations that will shape the future of our cardiovascular systems and BEYOND. Over the last 2 decades, Israel has become a medical “start-up nation”. ICI’s dynamic environment which allows rich exchanges on innovations has contributed to this process by facilitating global interaction between physicians, entrepreneurs, academia and industry and by building bridges leading to innovation.

ICI Meeting HIGHLIGHTS:

ACADEMY OF
INNOVATION DAY

INNOVATION
AWARD

DIGITAL
HEALTH DAY

DISTINGUISHED
FACULTY

Main ICI Topics:

- Acute Coronary Syndrome Interventions
- Biodegradable Scaffolds
- Brain Protection
- Carotid Interventions
- Cell and Gene Therapy
- Complex Cases
- Connected Health
- Device Innovation
- Drug Eluting Balloons
- Electrophysiology
- Funding
- Heart Failure
- Imaging and Physiology in the Cath Lab
- Mitral Repair or Replacement
- Peripheral Intervention
- Personalized Medicine
- Regulatory Aspect in New Devices
- Renal Denervation /Sympathetic Modulation
- Stents-Coating, Eluting and Beyond
- Stroke
- Structural Heart Disease
- TAVR
- Technology Parade
- The Cath Lab of the Future

ICI 2018 Important Dates:

20 - SEPTEMBER - 2018 | Abstract Submission Deadline

20 - OCTOBER - 2018 | Abstract Submission Deadline for the Innovation Award Competition

29 - NOVEMBER - 2018 | Registration Deadline

Organized by:
